What is the PTO?

Volunteers that support BLES!
We host over 20 activities – school traditions – every year to help raise money for things like classroom books and supplies, teacher appreciation events, STEM Night and cultural activities for every grade level.

We're excited that you're going to be part of these efforts!

2019-2020 Budget Overview

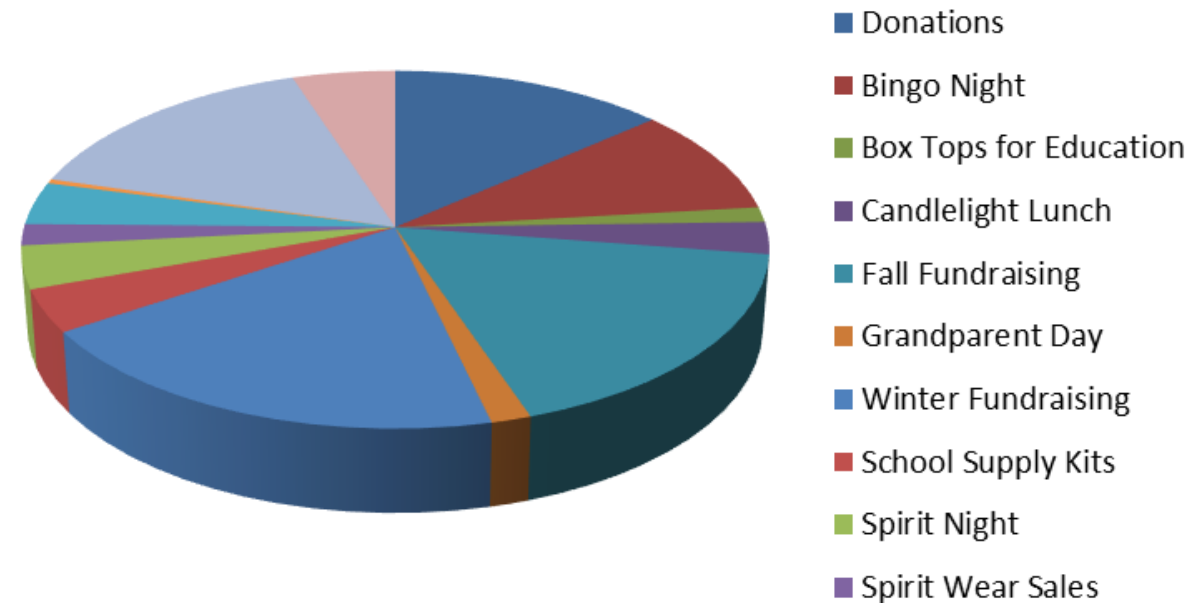

Every hour, every dollar matters...

Expenses

Income

From an operating perspective, we barely break even after our expenditures. It's critical that we increase event participation and we have more successful events to raise more money so we can do more for the school. That's where a quality volunteer program comes in!
