## Candidate: Tiffanie Forté

Hello, Berkeley Lake Elementary community! I'm thrilled to join you with a splash of energy and over 17 years of project management and customer relationship expertise under my belt. My journey includes dynamic roles at Intuit and Verizon Wireless, where I honed my skills in turning complex challenges into streamlined successes, always with a zest for innovation and efficiency.

Why do I love BLES? It's simple: the diversity is fantastic, and the enthusiasm among the teachers and staff is contagious! Seeing my child thrive academically and socially here has been a joy, and I'm excited to bring my project savvy to the Parent Teacher Organization. Together, let's make BLES even more amazing for our kids and community!
